

## **41 OER Aeres University of Applied Sciences (Dronten/Almere) Additional costs**

The student is expected to pay an additional fee of €650.- to cover the costs for the Introduction week, company visits and excursions. From this additional fee €50.- is charged for handling costs for the selection procedure.

Students can be reimbursed on their travel expenses from Dronten UAS to the destination of the company visit or excursion provided that they choose the cheapest transport.

In case the received fees do not cover the total costs for the Introduction week, excursions and company visits, the students are expected to pay the remaining costs on travel- and accommodation expenses themselves. If the costs do not exceed the received fees, the residual will be paid back to the students.
